FIAT MISSION BIBLE MINISTRY

Millions of people
in the world do not have the
WORD OF GOD
in their mother tongue.

The mission dioceses
of the world are faced with
the herculean task of
printing and distributing
Bible in the local languages
and dialects.

FIATMISSION join hands
with Bishops to make available
the Bible in the languages and
dialects of the people at
subsidized price
or even **distribute freely**
to the needy, if necessary.

We released our first Bible
in January 2010.
It was in **Maram**,
a dialect of Manipur,
Imphal Diocese.

Since then we have published
Bibles in languages like

Karbi, Oriya, Hindi, Nyishi,
Misso, Telugu, Bengali, Wanchho,
Santhali, Bodo, Adi etc.

FiatMission is a lay movement in the Catholic Church aiming global Evangelization.

GGM - MISSION CONGRESS

GGM Mission Congress (Great Gathering of Mission), a platform for the mission activities in India to come together organized by Fiat mission. It will be an opportunity for the established church in Kerala to get familiarize with the mission work in India, which in turn will enable the church in Kerala to rediscover the charism of Christ and rededicate themselves. The surplus resources available with the Church in Kerala

could effectively be utilized for the evangelization of India and the world. For this to happen, a deeper awareness is to be created in the church in Kerala. This will lead to increase in vocation dedicating themselves to Missionary work, financial support for meeting the material requirements of the mission areas and prayer support for strengthening the mission church. This is the intention of this GGM.

Papyrus

USED PAPER TO BIBLE PAPER

used paper collection program,
for exchange with bible printing paper

For the past three years Fiatmission has been organising a programme named 'Papyrus' for the collection of Bible printing paper to support this Bible printing and distribution ministry. Papyrus programme is buying Bible printing paper from paper company for equivalent value of used paper given by us.

We could collect till now **500 ton used papers** like this from various places and with this we were able to distribute more than **200,000 Bibles**.

We take this opportunity to thank all the God's children who had extended their hands to support Fiat Mission in our mission of used paper collection which are the raw material for the Bible printing paper.

We appreciate all the children, their parents, teachers, their parish priests and Bishops who co-operated with Fiat Mission in this program and pray the Heavenly Father to shower all the blessings upon them.

INTERCESSION MINISTRY

Fiat Missions all ministries are routed into intercession. intercession is the protection of both Church and the World.

All the Fiat Mission centers are beginning with intercession prayers, because the Divine secrets are revealed during intercessory prayers. Fiat Missions all ministries revealed by God at the time of intercession.

Wherever intercession started God is doing miracles there. Fiat Mission has 32 intercession centers in India and abroad. Those who completed Fiat Mission's Discipleship training are appointed to these centers to lead intercession prayers.

Fiat Discipleship training is 100 days long program and is meant for those desiring to take up the challenge of full time commitment. Fiat Mission has successfully completed 20 such training programs. Initially they attend a retreat in which they get a personal God experience which leads them to a lifestyle of Faith, Prayer, Word of God, and Sacraments. They also get trained for intercession, public speaking, outreach, evangelization and final discipleship. As an outcome of these trainings, these missionaries are serving the Church as per the requirements from the Bishops of the respective dioceses. After the training they are posted in different parts of the dioceses according to the need of place and the calibre of the Missionary. We also have two retreat teams, one in Hindi and the other in Oriya, as fruits of these trainings.

DISCIPLESHIP MINISTRY

FIAT MISSION RETREATS

FiatMission has grown to the stature, that there is always at least one Fiat retreat going on in some part of the world.

At the Fiat retreat Centre at Khammam Andhra Pradesh retreats are held every third week of the month. In Kenya there retreat begins on every second sunday.

The retreats are organised in the interior and remote village where no retreats are held so far and the preaching is done in the local language and dialect.

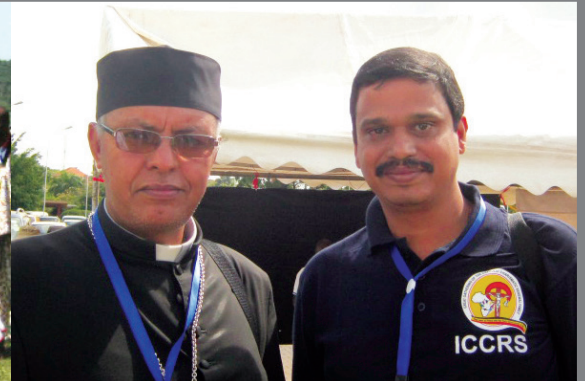

Apart from these retreats for lay people, at Vailankanni retreats are conducted exclusively for **priests and religious.**
